

# School Show 2024

*Pinocchio and friends.....*

Our children are working so hard and are very excited to put on a school show from **Monday 20<sup>th</sup> - Thursday 23<sup>rd</sup> May at 7:30 p.m. in our Master's Hall.** This year our show is Broadbridge's version of *Pinocchio* and some friends popping in along the way. We don't want to spoil all the surprises but you and your family are sure to be in for a treat at the show.

## Cast

- Every child in the school has a part to play in the show.
- The school is divided into two casts; A and B. **Cast A perform on Monday 20<sup>th</sup> May and Wednesday 22<sup>nd</sup> May and cast B on Tuesday 21<sup>st</sup> May and Thursday 23<sup>rd</sup> May.**
- Dress rehearsal matinee performances will take part during school time the week prior to the show. Preschool children are very welcome to attend these performances as **the night performances are not for children of this age.** Cast A will watch Cast B dress rehearsal and vice versa so children in our school **are not** permitted to the evening performances. **Tickets are not required for the dress rehearsals.** Dates and times for these shows will be announced closer to the time.

## Tickets

- A request form for tickets is on the reverse of this note. We will try our best to accommodate everyone's first choice of night and ticket amount (each family will be guaranteed 2 tickets). **Forms must be returned by Friday 10<sup>th</sup> May so tickets can be allocated. Only use one form per family.** Request for tickets after this date cannot be guaranteed. Do not send any payment at this stage, payment is made on collection of tickets from the school office.
- Tickets cost £5 each and this includes online viewing access to the recorded performance. Performances are recorded each night by a professional videographer and a separate video compiled for each cast and will be available to buy after the edits!!

## Costumes

- A voluntary contribution is asked for those children who are not purchasing their own costume to help cover school costs. A suggested £5 per child and £10 maximum per family. This can be paid through the ParentPay app.
- Each year group will be notified of what their role is in the show and the class teachers will inform you of what costume your child needs. Your child will need to be dropped off at school on the nights they are performing wearing their costume and any make up they need.
- Drop off will be at **6:50 p.m.**

## Parking

- As you are aware parking is a major issue in our school. We are hoping for a dry spell of weather so that the football pitch opposite the school could be used for parking. It has one access point so once your car is parked in the pitch it will have to remain there until after the show is finished.
- If you are dropping your child off and not watching the performance that night, please use the drop off zone inside the school to leave your child off at 6:50 p.m.
- Please remember to be considerate to other road users and very mindful that there will be a lot of excited children around the school at drop off and at the end of the night.

## On the night

- On the night that you are watching the show your child will be looked after by the staff in the school. You can sit back, enjoy the full show and collect your child at the end. They will be given their supper and will hopefully not need rocked to sleep that night. **Please do not leave your seat during the performance as this**

can be very distracting for the children on stage. Also it is disheartening for them to look out and see empty seats so please do stay for the full show, I promise you will not be disappointed.

- If you are not watching the performance your child's class teacher will let you know the time your child will be finished on stage and you can collect them thereafter. **Please park over the bridge and walk to the front office to collect your child to reduce any vehicle noise which will be picked up on the video.**

We are really happy to give the children the opportunity to perform in the show this year. It is such an important part of our school tradition and the joy, confidence and happiness it gives the children cannot be measured. It will be great to welcome you all into the school and give our children a full, holistic, educational experience that they will never forget. The fact that every child has a part to play develops their sense of community so please ensure your child attends their performance.

Hopefully they will (not) break a leg!!!!
